## RESORT BARABARA FIESA IS:

### "Relax and breathable vacation"

Super relaxing hotel. Nice green place and fresh air. Nearby center Piran walk cca 10min. Portoroz 20min by bike. Clean sea for swimming. Hotel has swimming pool with heated sea water and sauna. Food is very tasty lays a choice sea food and different meat.

### "I like it"

The Barbara Fiesa is a hotel for tourists and families visiting piran. I like it very much because you can walk from the hotel over the promenade to the town center (which is car free). You can park your car at the hotel. You have a nice view if you take a sea view room, before the hotel you find a beach and the staff is friendly.

### "3 stars are few!"

Magnificent scenery, seaside hotel, huge rooms, modern and decorated, good food, nice pool and in the countryside but at the same time in two steps by two cities so different (but both beautiful) like Piran and Portorož! If you love the Slovenia you cannot ask for more! Try the bike ride to Piran (the rents bikes you the 'hotel!)
